We had a great time going to watch Ivy & Bean at the Rose Theater. This is always a fun experience for students. The show was fantastic! Ask your child what their favorite part was.

## QUESTIONS TO ASK YOUR CHILD:

★Ask your child to retell a story. Remember to include the beginning, middle, and end!

★Seven friends were at the pumpkin patch. Each friend picked 5 pumpkins. How many pumpkins did the friends pick in all?

## DON'T FORGET:

- \* Please send a light jacket or sweatshirt to school with your child. The temperature in our classroom changes throughout the day.
- \* Students can bring water every day to school. This helps to keep them hydrated and prevents unnecessary trips to the water fountain.
- \* Fall Parties are on Friday, October 30<sup>th</sup>! Remember no make-up or weapons for school parties. Also, please do not send extra snacks such as cupcakes for students to pass out to friends. We will have a special snack as part of our Fall party that day.
- \* Please make sure your child has appropriate shoes for PE and to bring back library books on our library day.

## WHAT WE ARE LEARNING...

**Reading:** This week we read a Fable and examined the lesson taught in the story. Please ask your child to share the lesson learned from "Jack and the Wolf."

**Math:** We started Unit 2 in math. We have been doing a lot of counting practice. As we count we have been discussing different ways to group numbers to make our counting more efficient, such as 2s, 5s, and 10s.

**Writing:** We are finishing our unit on Small Moment stories. Students have been working hard on writing a true story about a small moment in time with a beginning, middle, and end.
