

# Mrs. York's Class

Week of: October 26-30

## UPCOMING EVENTS:

11/4: Early Dismissal @ 1:30

11/12: Family Activity Night  
5:30-7:00pm

11/25-11/30: No School

## CLASS NEWS:

Our fall party was AWESOME!!! Thank you to all of the parents who helped plan the party and also those who donated items. It is always fun to see the students in their costumes.

## QUESTIONS TO ASK YOUR CHILD:

- ★ Why are headings important when reading non-fiction texts? Can you share the main idea and details from our story this week.
- ★ Mrs. York handed out 12 bags of candy for Halloween. Mrs. White handed out 18 bags of candy. How many more bags of candy did Mrs. White hand out than Mrs. York?

## DON'T FORGET:

- \* Keep sending your Box Tops and Hy-Vee receipts. This is an easy way for our school to earn money.
- \* Students can bring water every day to school. This helps to keep them hydrated and prevents unnecessary trips to the water fountain.
- \* Please make sure your child has appropriate shoes for PE and to bring back library books on our library day.
- \* Homework is due every FRIDAY!!!
- \* The Ziploc bags with the decodable readers need to come back empty every Monday. The books are yours to keep and we will refill the bags for the following week.

## WHAT WE ARE LEARNING...

**Reading:** This week we read an informational text about how animals communicate. Students learned to use headings to help them further understand the text.

**Math:** We continue to work on problem solving in math. We have worked on both addition and subtraction problem types. Students are working on using an efficient strategy to solve problems.

**Science/Social Studies:** We have finished our unit of study about states of matter in science. We will begin working on our economics unit in social studies. We will be discussing the difference between wants and needs.
