10/15: Conferences 8-8

No School-Elementary Only!

10/16: No School!

10/19: No School - Staff Development

10/22: Picture Day

10/27: 1st Grade Grandparents' Day

CLASS NEWS:

I've had several parents tell me that they would like to volunteer in the classroom. We would love the help. Could you please send me a note/email and let me know days of the week that would work best for you? We could use volunteers in the morning between 9:30-10:45. Thank You!!!

QUESTIONS TO ASK YOUR CHILD:

★What is an adjective? Pick an item to describe using adjectives.

★Find 10 more, 10 less, 1 more, 1 less than 47

★Mrs. Grell found 14 leaves on the ground. 8 of the leaves blew away. How many leaves does she still have?

DON'T FORGET:

* Walk-a-Thon money was due Friday. If you have not yet sent your child's envelope back, please do so ASAP!

* Please send a light jacket or sweatshirt as the weather changes. It can be very cool at morning recess, but still warm up in the afternoon.

* Students can bring water every day to school. This helps to keep them hydrated and prevents unnecessary trips to the water fountain.

* Classroom Wish List:

-Extra Snack for our emergency snack cupboard

-Board Games for inside recess (Candy Land,

Memory, Chutes & Ladders, etc)

WHAT WE ARE LEARNING...

Reading: We continue to build stamina and work on being independent during Daily 5. This week we've worked on looking closely at the pictures and words to gain meaning.

Math: We continue to work on strategies to help us solve problems efficiently. These include holding the larger number in our head and counting on or counting back. We have also worked on data collection and making graphs to keep our data organized. We've been working on finding numbers that are 10 more, 10 less, 1 more, and 1 less.

Science: We continue to study the states of matter in science.
